

ST. CHAD'S R.C. PRIMARY SCHOOL'S SEND OFFER

Open and honest communication

How will we make all the information we need to share with you clear and easy to understand?

St Chad's has a member of staff called the Special Needs Coordinator (SENCO) who will explain everything to you and make sure you understand what is happening

The SENCo, Mrs Farrelly will make sure that all the necessary school staff are aware of your child's needs and worries

If we think your child needs extra support, we will always speak to about this

How will my child's progress be reviewed and when will I be invited into school to discuss this? Will my child be able to give their views?

How will St. Chad's ensure that parents and children with additional needs are fully included in all school activities?

How will St. Chad's provide good teaching for my child and extra support when needed?

How will St. Chad's work with me to identify my child's needs?

How will the SENCO ask for my permission to involve other professionals to work with my child?

Appropriate and effective Teaching and Learning

A Partnership approach

How are staff trained to support the needs of my child?

What resources does the school offer if my child has significant social and/or communication needs?

How do teaching and support staff accurately assess the level children are working at to differentiate the curriculum?

What types of learning resources are available in all learning areas to support learning for children operating at different levels?

What support is available if my child needs support with managing behaviour or dealing with social situations?

How will I be involved in all decisions and have my views listened to?

How will I be given support in contacting organisations who can give me advice and support?

How will my child be involved in decisions about their learning?
