

The government gives extra funding to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. For example, the funding can be used to:

Hire specialist PE teachers

Hire qualified sports coaches to work with teachers

Provide existing staff with teaching resources to help them teach PE and sport

Support and involve the least active children by running or extending school sports clubs.

Run sport competitions or increase pupils' participation in the School Games

Run sports activities with other schools

How will we be spending the PE & Sports Funding and who will benefit?

The Governors of St Chad's Primary School agree that the money must be used so that: all children benefit regardless of sporting ability; that staff have access to training opportunities and continued professional development and to assist in the development of the sports curriculum across the school.

The table below gives costing, and intended impact, of the Sports Premium money. The impact of the spend will be measured throughout the year.

All figures have been approved by the Chair of Gobs and the finance committee.

2017 – 2018 PE and sport premium funding report

Funding received			
No. eligible pupils:		Total amount received: £ 17,960 (estimated)	
Funding rate: £16,000 plus £5 per pupil			
Objectives			
Objectives of spending the PE grant: <ul style="list-style-type: none"> • Increase pupil participation in competitions, interschool sport and events. • Instil in pupils a love of sport and physical activity. • Improve resources to support PE, including transport and equipment. • Broaden the sporting opportunity available to pupils. • Train PE instructors and coaches to develop sporting skill in pupils. 			
Breakdown of spending			
Objective:	Activity:	Cost:	Impact:
To instil in pupils a love of sport and physical activity.	Membership of the King Edwards Primary Partnership	£3,500	<ul style="list-style-type: none"> • Increased participation in well organised, competitive sports. Football, Netball, Handball, Rounders, Gaelic football, Badminton, cricket. Monthly interschool competition with other schools in our locality. • Many more opportunities for girls to participate in competitive sports through these three organisations as there are some team games where girls have to be fielded in mixed teams and competitions that are just for girls' teams. • Having extra-curricular activities at different times of the day may remove a barrier to non-participation
	Membership of the Catholic Schools' Sports association	£ 80	
	Membership of the Aston District Sports association.	£ 24	

	Purchasing of replacement, and new equipment to ensure that children in EYFS are becoming active to encourage a lifelong enjoyment of physical activity. Equipment to include winter coats to remove inappropriate clothing as a barrier to outdoor physical activity.	£1000	There is an increased number of children reaching their age related expectations in physical development in the EYFS. (83% in 2017) Increased % in the number of pupils who are accessing the outdoor environment.
Total spend on objective:		£ 4,604	
Up skill all teachers in the delivery of the PE curriculum	Through the King Edwards partnership, we have taken on specialist PE teacher for 1.5 days a week Across the school year, all teachers will have had a unit of work jointly planned and delivered with the PE specialist.	£ 6,975	The impact will be 100% of lessons delivered will be 'at least good' and the children will benefit from the expertise in planning a series of lessons to cover the skills taught.
	Specialist swimming coach to be present at all lessons from 26 th September. (Part of the partnership agreement with KE)	No additional cost	Swimming teaching was identified as an area of weakness for all staff who take classes to the baths. Through the partnership, we will up skill the staff through a 'team teach' approach and have a range of resources for effective swimming teaching in the following years.
Total spend on objective:		£ 6,975	
Improve resources to support PE, including transport and equipment.	Following an audit by our Primary Sports Co-ordinator, Restock equipment to ensure that all units of the NC can be taught effectively	£ 2000	Removal of that barrier to effective curriculum delivery will mean that good teaching is able to take place.
	Cost of transporting children to interschool sports in the school minibus. (fuel only)	£ 300	The school can fulfil all fixtures and not have to refuse any opportunity to take part in after school sport.
	Spare PE kit (basic) to ensure that no child does not participate in lessons	£ 560	High levels of deprivation in the locality mean that an increasing number of families are not providing kit for their

			children. This is a simple barrier to remove.
Total spend on objective:			£ 2860
Spend remaining:			£ 3,521
